

Advanced Programme in Banking and Leadership for a Digital World (A six-months Executive Programme, starting from October 2024)

We are excited to announce the third cohort of the
Advanced Programme in Digital Banking and Leadership in collaboration with TalentSprint.

The banking and financial services sector is experiencing disruption due to changing consumer expectations, emerging technologies, and new business models. To adapt to this new-age banking environment, both legacy and newer banks are undergoing digital transformations, offering various digital services to their customers. Success in this dynamic environment necessitates strong digital leadership, a digital-first mindset, and tech-informed decision-making.

This programme and its curriculum has been thoughtfully designed to address this industry requirement.

Key highlights of the programme:

- **135 hours of Live Interactive Learning:** Deep dive into industry-leading case studies
- **Real-world Curriculum:** Prepare to become a digitalisation expert with **LIVE banking projects**
- **Distinguished Faculty:** Taught by leading researchers and experts in digital banking
- **Peer Networking Opportunities:** Learn along and connect with an illustrious industry peer group
- **Prestigious Executive Education Alumni Status** from NIBM
- **3 Days Campus Immersion at NIBM Pune**

The program's cutting-edge curriculum empowers participants with expertise in **Digital Banking and Finance, AML & Blockchain Applications in Banking, Digital Era Transformation, and Leadership and Change Management.**

Designed for professionals in banking, finance, tech and consulting domains, the programme enables the participants to transition to a digital banking role by leveraging the research expertise of NIBM.
